Walter Kimm asked for an update on Wreck Pond. Mayor Naughton explained that there is not an official body yet. Spring Lake has agreed to the structure in place but Wall Township has not. We (Spring Lake) are focused on the FEMA grant we applied for as we feel it will benefit us. It will raise the level of the pond several feet around and also a pump. It is down to two municipalities and we are one of them and should know within the next six weeks. Mr. Kimm would like to still see a control valve on the pipe.

WHEREAS, the Borough of Lake Como, is making the necessary applications to relocate a commercial Radio Tower from its current location at Main Street and 18<sup>th</sup> Avenue to Behrman Park. This property is adjacent to the Lake Como Little League Field, Spring Lake's Marucci Park recreation facility and Rash Field ball fields on the border with the Borough of Spring Lake Heights and the Township of Wall; and

WHEREAS, the proposed tower is estimated to be 533 feet in height and will require extensive lighting on the structure; and

WHEREAS, the proposed relocation of the tower would be in close proximity to Polly Pod Brook which tributary runs along this area and the borders of Lake Como and Spring Lake and flows easterly into Lake Como; and

WHEREAS, the proposed relocation would require the re-zoning of a Green Acres park to permit commercial activity in an otherwise exclusively residential and recreational area; and

WHEREAS, the relocation of the Radio Tower raises concerns by the Mayor and Borough Council of the Borough of Spring Lake which include but are not limited to:

- 1) Its relocation to the close proximity of three (3) parks which are actively used by thousands of children each year; and
- 2) Diversion of a Green Acres property to a commercial use; and
- 3) Allowing commercial structures and uses within areas that are now exclusively residential and recreational; and
- 4) Its relocation adjacent to Polly Pod Brook raises environmental concerns; and
- 5) Its extreme height and the required structure lighting lights would create a looming physical and visual barrier for miles causing serious aesthetic harm to Borough of Spring Lake and the entire region;
