**Public Comments**

Mr. Lyle Marlow, referencing the recent issue of The Bridge, asked for clarification of the times bicycles are allowed on the boardwalk. The Mayor confirmed the hours are 5:00 am to 8:00 am. Mr. Marlow also expressed disappointment in the 3% fee charged for the use of a credit card when purchasing beach badges. Councilman Jordan explained the credit card and ACH fees as determined by the financial institutions. Mayor Naughton explained that the issues that were identified during the badge purchase process this year are being reviewed and to the extent possible will be addressed for next year.

Mrs. Eleanor Twomey, Vroom Avenue expressed her concerns regarding the badge purchase process specific to the credit card and ACH fees and noted that she had no recollection of the fees being discussed and voted on by the Mayor and Council. Mrs. Twomey also expressed concern that the collection of revenue in association with the beach and pool badge purchases was being accounted for properly. Councilwoman Reilly assured Mrs. Twomey that the topic was addressed in public. Mrs. Reilly also detailed the instructions that were made available to the public informing them of the potential fees associated with their purchase. Mayor Naughton assured the public that regardless of the navigation mechanics of the website, the fees collected are allocated properly to the appropriate accounts.

Ms. Elsie Dubac, St. Clair Avenue reported that the meeting of the Ad Hoc Committee to discuss the playground and basketball court has been cancelled. Councilman Judge responded he was unaware of the meeting being cancelled and that he would look into the status and report back.

Mr. Pete Roche, St. Clair Avenue commented that the proposed basketball court places the court within six (6) feet of his property line and is for an NBA size court and that he was never officially notified. Mr. Roche noted his objection to the approach that's being taken and expressed his opposition to having a basketball court so close to his property. Mayor Naughton stated that although it's a Board of Education decision, she would agree that input from the neighbors is important and asked that Councilman Judge research the status of meetings to allow for public comment.

Elsie Dubac, St. Clair Avenue further opined that a basketball court next to the street will change the overall feel of the town and the street increasing traffic and attracting more people.

Mr. Pete Roche, St. Clair Avenue - Mr. Roche further commented on the significant difference between having an elementary school size basketball court and an NBA size court, questioning the need for such a large court outdoors and referenced the size of courts at other local towns.

**Council Comments & Staff Reports**

Mayor Naughton reported that the Public Works Department is working on the final stages of repairs to the boardwalk and anticipate to be finished within the next couple of weeks. She also noted that additional showers have been added at many of the entrances. In addition, Mayor Naughton reported on an event being held May 22, 2012 in support of breast cancer awareness and in honor of resident Kerry Patterson and other residents who have been affected by breast cancer.

Mr. Drasheff announced that the Public Library has scheduled their annual Art Show for Saturday, August 4, 2012. Mr. Drasheff also reported that he continues to get complaints from residents regarding non-functioning street lights. He suggested that if JCP&L fails to address this issue in the next few weeks that the Governing Body should consider punitive action of some kind particularly with \$11,000 worth of bills outstanding. Mayor Naughton expressed agreement and inquired as to the status of the JCP&L portal suggesting this would be a good place to start. Mr. Jordan also inquired about a post spray painted with "JCP&L" located on Fifth and Washington Avenues. Mr. Dempsey agreed to follow-up on this topic. Mr. Drasheff publicly thanked the Chamber of Commerce for the event honoring the Mayor.

Mrs. Venables informed the residents that the Wreck Pond project is moving forward including the acquisition of permits needed for the dredging portion of the effort and the pumps. Mrs. Venables also commented on the success of the Mayor's event and congratulated the Mayor again on her honor.

Mr. Jordan reported on the latest statistics in connection with beach badge and locker sales noting that the Borough has collected close to \$500,000 in revenue. He also reported that the instructions on the website have been updated in an effort to make the process easier for purchases. He also shared that there is a feature on the website for registered residents to place service requests thus allowing the Borough to review the requests and share them accordingly with members of the Council and administration. Mr. Jordan also thanked those who attended and participated in the Little League Parade.

Mr. Judge also joined the Mayor in encouraging people to support the breast cancer awareness event on May 22, 2012 noting that 100% of the proceeds of the sale of pink lemonade and other items will go to the Susan G. Komen organization.

Regarding the North End Pavilion project, Mr. Judge reported that things are moving forward on the bid process with hopes of awarding the contract in late May. Mrs. Twomey asked clarifying questions regarding the bid process which were addressed by members of the Council.

Mrs. Reilly reported that the South End Pavilion is now open between the hours of 11:00 am to 5:00 pm for residents to purchase and/or pick-up badges. She also reported that a lottery, for

approximately five (5) shower lockers that were freed up by non-residents, will be held May 15, 2012 at 3:30 pm.

**Borough Engineer's Report**

Mr. Avakian reported that Mr. Dempsey and he would be traveling to Trenton tomorrow to continue their efforts to obtain permits for the dredging of Wreck Pond. He advised that a dredging plan is being developed while also making revisions to the environmental assessment. In addition, he noted that they are still working on the pump and berm improvements. Mr. Dempsey added that representatives from the County will also be in attendance at tomorrow's meeting which will prove to be a huge benefit to us. Mr. Dempsey also noted that the EPA grant is funding the videotaping and therefore should result in no cost to the Borough provided it doesn't go over \$200,000. The Mayor added that the scoping work is necessary in order to get the DEP's cooperation for the dredging and pumping; they want the Borough's cooperation to ensure that the water quality of the lake is as clean as possible. Mr. Avakian ended his report noting that he has obtained Freeholder Arnone's pledge of support for the dredging and pumping project.

\*\*\*\*\*

**Borough Attorney's Report**

Mr. Colao reported that he has one matter to discuss in closed session.

\*\*\*\*\*

**Borough Administrator's Report**

Mr. Dempsey reported that he will likely present a Resolution at the next meeting for the surf camp noting that last year's bid from Sam Hammer provided for the contract to be extended. Mr. Dempsey also reported that we have received a letter inviting the Borough to make application for an Open Space Grant and suggested a meeting be set up to discuss. The Mayor agreed it should be discussed especially in light of the many pending capital projects underway. Further, Mr. Dempsey gave an update on the South End Pavilion pool liner repair project noting that two (2) contractors are pricing the crack repair effort with hopes of getting the pool open by June 17, 2012. Mr. Judge offered favorable comments regarding last year's surf camp and inquired if it was being put to bid this year. Mr. Dempsey reported that the contract last year included a two (2) year option. In regards to the Warren Avenue property, Mr. Dempsey reported that the soil approval has been received and the plans for the project will go in front of the planning board at the June meeting.

Ms. Eleanor Twomey, 108 Vroom Avenue asked for clarification regarding the Warren Avenue project and the possibility of variances. Mr. Dempsey addressed. Mrs. Twomey also asked if anyone was familiar with the details regarding Jackson Township's acquisition of white lights utilizing federal grant monies. Ms. Helen Motzenbecker, 4 Glenwood Avenue inquired as to the possibility of extending Mr. Zahorsky's hours. Mayor Naughton responded, noting that Mr. Zahorsky is part of an Interlocal Agreement with Wall Township and that it's a question of whether Mr. Zahorsky has more time available to give to the Borough or should other alternatives be considered.
