RECLAMATION CENTER

In an effort to improve our Recycling Center, we have made a few changes, which should make things more convenient. Please read the labels and place items in proper containers. **All residents are invited to utilize the Municipal Reclamation Center Monday through Saturday, 8am to 4pm. The Center is located at Fifth and Salem Avenues where an attendant will be on hand to assist you. There are designated containers for disposing of the following items, please read labels on containers: NEWSPAPERS, MIXED PAPERS, INCLUDING JUNK MAIL, TELEPHONE BOOKS AND MAGAZINES.** There is an area for **METAL ITEMS** such as appliances (no refrigerators, air conditioners, freezers, or dehumidifiers), bicycles and large heavy metal objects. There is a container for **LEAVES - NO GRASS**. Containers are also marked for **CORRUGATED CARDBOARD** (empty boxes), **BULKY HOUSEHOLD ITEMS** (NO construction materials), **CO-MINGLED** (glass bottles and jars, bi-metal and aluminum food and beverage cans, plastic pourable containers, no larger than one gallon), **BRUSH** (tree limbs, hedge and shrubbery trimmings), and **CLOTHING BINS** (AMVETS).

PLEASE PLACE ITEMS IN THE APPROPRIATE CONTAINER. ALL CONTAINERS ARE CLEARLY LABELED.

For safety's sake, we cannot allow any resident to scavenge from the containers. Other towns have reported injuries and in one case a fatality occurred from people trying to retrieve articles from containers. If you accidentally drop or discard something, please see an attendant for assistance. After you have emptied your containers, please exit the facility in a timely manner. This will limit the wait time for those entering the facility.

A sticker is necessary to use the Reclamation Center and should be affixed to the driver's side front bumper of the vehicle or a portable object stored inside your vehicle. Stickers are available at the Borough Clerk's Office for Spring Lake residents only.
