AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity For Individuals With Disabilities

The Contractor and the Borough of Spring Lake do hereby agree that the provision of Title II of the Americans With Disabilities Act of 1990 (the "ADA") (42 U.S.C. Section 12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereunto, are made a part of this contract. In providing any aid, benefit or service on behalf of the Borough pursuant to this contract, the Contractor agrees that the performance shall be in strict compliance with the ADA. In the event that the Contractor, its agents, servants, employees or subcontractors violate or are alleged to have violated the ADA during the performance of this contract, the Contractor shall defend the Borough in any action or administrative proceeding commenced pursuant to this ADA. The Contractor shall indemnify, protect and save harmless the Borough, its agents, servants and employees from and against any and all suits, claims, losses, demands or damages of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The Contractor shall, at its own expense, appear, defend and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the Borough grievance procedure, the Contractor agrees to abide by any decision of the Borough which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the Borough or if the Borough incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the Contractor shall satisfy and discharge the same at its own expense.

The Borough shall, as soon as practicable after a claim has been made against it, give written notice thereof to the Contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the Borough or any of its agents, servants, and employees, the Borough shall expeditiously forward or have forwarded to the Contractor every demand, complaint, notice, summons, pleading or other process received by the Borough or its representatives.

It is expressly agreed and understood that any approval by the Borough of the services provided by the Contractor pursuant to this contract will not relieve the Contractor of the obligation to comply with the ADA and to defend, indemnify, protect, and save harmless the Borough pursuant to this paragraph.

It is further agreed and understood that the Borough assumes no obligation to indemnify or save harmless the Contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this agreement. Furthermore, the Contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the Contractor's obligations assumed in this agreement, nor shall they be construed to relieve the Contractor from any liability, nor preclude the Borough from taking any other actions available to it under any other provisions of this agreement or otherwise by law.
