**BOROUGH OF SPRING LAKE
MAYOR AND BOROUGH COUNCIL
REGULAR MEETING
MAY 23, 2023**

Mayor Naughton called the Regular Meeting of the Mayor and Council of the Borough of Spring Lake to order at 6:00 P.M. with a moment of silent prayer. She then proceeded with the Pledge of Allegiance to the Flag. Mayor Naughton announced that the meeting is being held in accordance with the Open Public Meetings Act.

PRESENT: Mr. Erbe, Mr. Hale, Mr. Judge, Miss McDonough, Ms. Whalley, Mr. Sagui, Mayor Naughton

ABSENT: None

ALSO PRESENT: Joseph Colao, Esq., Borough Attorney
Peter Avakian, Borough Engineer (7:00 pm)
W. Bryan Dempsey, Borough Administrator & Deputy Borough Clerk
Dina M. Zahorsky, Borough Clerk
Jennifer Beahm, Professional Planner

Workshop Discussions:

a. Downtown Design Standards – Jennifer Beahm, Professional Planner

Mayor Naughton explained that there was a sub-committee of the Council formed to research downtown design standards, along with help from some of our professionals. The sub-committee was headed by Mr. Erbe and Mr. Sagui, also here tonight is Jennifer Beahm, Professional Planner.

Mr. Erbe explained that the sub-committee has been working on this for a long time. He added that the sub-committee does not want to do any harm downtown, the only thing that could be limiting are the five architectural styles. This is a template and is not addressing occupancy upstairs nor parking. He added that Joe Walker, Professional Architect also helped with this process, who is not here tonight.

Ms. Beahm explained that they took a very detailed look at every structure along the business district and architectural styles. Anything that is downtown now will remain, they are not going to require someone there to rehab their façade. However, should a building come down or façade be changed, these are things that will help guide in the ordinance fashion, the esthetic that the sub-committee approved on. The architectural styles are Victorian revival which includes Italianate Style, Queen Ann Style, Tudor Revival, Georgian Revival, Colonial Revival and Shingle Style. It is also recommended that if a building were to come down, a new building would have to have a setback of five feet up to twenty-six feet and after that it has to project back. This way it is not a flat wall up to thirty-five feet.

Mayor Naughton asked if the styles that were chosen, are among the styles that are downtown now. Ms. Beahm said yes but not everything downtown fits the styles.

Mr. Hale asked about the five-foot façade setback, is that something that is there now? Ms. Beahm answered no they are right on the sidewalk lines. Mr. Hale asked that if a new building was built and the five-foot setback is required, how would you handle the other two buildings. Ms. Beahm answered that it is complicated but the goal is to start to move buildings back. She added that if there is that big of an issue, a person could go to the Planning Board to ask for relief.

Mayor Naughton asked where the setback idea came from. Ms. Beahm explained that at first there was a much more pronounced setback which we decided was impractical. Mr. Erbe added that they would like more sidewalk space.

Ms. Whalley asked about the setback. Ms. Beahm explained that the curb is not the property line, the sidewalk is within the public right-of-way. The property line is on the inside part of the sidewalk. If a

**BOROUGH OF SPRING LAKE
MAYOR AND BOROUGH COUNCIL
REGULAR MEETING
MAY 23, 2023**

building were to come down and a new building were to go up, it would be pushed back of the property line to give depth to the façade. Mr. Dempsey added that some may be at the five-foot setback now, but they are not sure. Ms. Beahm stated that in most towns that she works for the downtown buildings are all at the setback. She has no objections to the zero setback if that is what the Council would like. Mr. Sagui added that one of the concerns is that a developer would come in and purchase a whole block and tear it down and change the whole look of Spring Lake. Also, more sidewalk would be great. Ms. Beahm added that even if a building was going to come down the applicant would have to go to the Planning Board for site plan approval.

Miss McDonough asked that if a building does come down, since most of the buildings are at their max at the rear of the building, then the stores would lose square footage. Ms. Beahm answered that she is correct.

Mr. Hale added that then the second floor would be even less. Ms. Beahm answered that someone could go straight up to twenty-six feet. The third story would have to have an angle on the roof, the usable floor area would be less. Mr. Dempsey explained that the max height is thirty-five feet. Ms. Beahm said no. Mayor Naughton added that it was changed a few years ago. Ms. Beahm answered that is based on forty-two feet, a commercial first floor is typically taller than a residential first floor. Mr. Judge asked what type of façade change would require these new changes. Ms. Beahm answered that it would be for the Council to decide. She doesn't think if a building was being painted or a new awning added, it would apply. If there was a variance change and they had to go to the Planning Board then these changes would be required. Mayor Naughton is trying to understand why the height would go from thirty-five feet, which was changed only a few years ago, to forty-two feet. Ms. Beahm answered that it was based upon the work that was done with the sub-committee, which can be changed. Mr. Colao explained that they are compromising with the square footage that would be lost with the front yard setback. Mr. Hale asked how a flat roof is being defined. Ms. Beahm answered, no pitch. Mr. Hale asked no pitch at all or 0.0025 pitch. Ms. Beahm does not know. Mr. Hale added that the drainage usually goes toward the back since they do not want water draining onto Third Avenue. Ms. Beahm added that she is not an architect but she believes the goal is to have pitched roofs to add dimension.

Mayor Naughton explained that the idea of the workshop is to understand and ask questions.

Mr. Dempsey stated that the Wells Fargo building, which the Borough just purchased, has a flat roof with fencing so that the HVAC units can't be seen, so how much of the rough has to be flat. Ms. Beahm added either way Matthew Zahorsky, Zoning Review Agent, has to have a clear directive while reviewing the plans.

Mr. Hale asked about the balconies on the second and third floors. Ms. Beahm answered two and a half feet, more of a Juliet balcony.

Mr. Erbe explained that the subcommittee was looking at buildings in other towns; but a change could be made to have the setbacks on the second and third floors, so that the first floor does not lose square footage.

Mr. Sagui thinks it may be beneficial to have more sidewalk space in the summer time.

Sharon Mahoney, not a Spring Lake resident asked about historic buildings. Ms. Beahm answered that if a building is not on the historic register, then there are no restrictions. If it is on the register then there are State restrictions.

Public Comments:

Sharon Mahoney, Belmar Resident whose dad passed away in February, was looking to plant a Memorial Shade Tree in town. She then asked about a pollinator garden. Miss McDonough answered there is one at the Department of Public Works yard. Ms. Mahoney asked about cross walk painting. Mr. Dempsey answered that he is getting a price from Monmouth County. There is a section near East Lake Drive which is very faded. Ms. Mahoney stated that she witnessed two signets getting suck in the plant netting. Ms. Whalley explained that the goose netting was put up to establish the natural shore line with the new plants, the geese will pluck out the new plants. She heard that the signets were getting suck and the netting can be removed now.

Council Comments & Staff Reports:

**BOROUGH OF SPRING LAKE
MAYOR AND BOROUGH COUNCIL
REGULAR MEETING
MAY 23, 2023**

Mayor Naughton wanted to remind everyone about the street closures for the children's race and the Spring Lake Five Mile run. On Monday at 10:30 am the Memorial Day Ceremony will start at HW Mountz School.

Mayor Naughton stated that people will need beach and pool badges starting on Saturday. Mayor Naughton added that the Reclamation Center will be closed Monday and will be open a full day on Tuesday.

Mr. Erbe thanked the Council for participating in the workshop.

Mr. Judge reported that at the Bank Building, the asbestos has been removed and the underground tank will be removed in the near future. There has been discussion with the neighbors to the south about parking in the parking lot.

Ms. Whalley said the Shade Tree Committee will be working with the Department of Public Works to starting planning the fifty right of way and park trees.

Ms. Whalley thanked Mr. Erbe and Mr. Sagui on their hard work on the Downtown Design Standards. Ms. Whalley stated that the Council members received a copy of the Business Improvement Districts audit.

Borough Engineer's Report:

Mr. Avakian reported the Borough works with FEMA to certify the Community Ratings System, which the Borough qualifies at a certain level and based off of that the residents can receive a discount on their flood insurance. This year is the five-year cycle, the Borough was at a level six and then changed to a level seven. He added that Christine Bell is the certified flood plain manager.

Public Comments:

Suzanne Palumbo, 313 South Blvd asked what the use of the new Marucci Building will be, it is a much larger building now with heating and a kitchen. Mr. Erbe explained that the paddle room will be slightly bigger but will not be an area hosting parties; it will be a location for people to wait while waiting to play their game. Mr. Erbe added that it is mainly for recreation use, there is only a certain number of parking spots, and he does not feel there will be a lot events taking place there. Mr. Dempsey added that there will be scheduled recreation events.

Judy Brophy, 315 South Blvd stated that she has seen the park aspect diminish with new buildings. She feels this new building is much larger. Mr. Dempsey explained that the current building is half closed and half open, the new building will be mostly closed with a patio and the width of the building will stay pretty much the same. The height may be a little bit higher but the trees will hide that.

THE MARUCCI PARK RECREATION BUILDING IN AND BY THE
BOROUGH OF SPRING LAKE, IN THE COUNTY OF MONMOUTH,
NEW JERSEY, APPROPRIATING \$2,000,000 THEREFOR AND
AUTHORIZING THE ISSUANCE OF \$1,900,000 BONDS OR NOTES
OF THE BOROUGH TO FINANCE PART OF THE COST THEREOF.**

BE IT ORDAINED BY THE BOROUGH COUNCIL OF THE BOROUGH OF SPRING LAKE, IN THE COUNTY OF MONMOUTH, NEW JERSEY (not less than two-thirds of all members thereof affirmatively concurring) AS FOLLOWS:

Section 1. The improvement described in Section 3(a) of this bond ordinance is hereby authorized to be undertaken by the Borough of Spring Lake, in the County of Monmouth, New Jersey (the "Borough") as a general improvement. For the improvement or purpose described in Section 3(a), there is hereby appropriated the sum of \$2,000,000, including the sum of \$100,000 as the down payment required by the Local Bond Law. The down payment is now available by virtue of provision for down payment or for capital improvement purposes in one or more previously adopted budgets.

Section 2. In order to finance the cost of the improvement or purpose not covered by application of the down payment, negotiable bonds are hereby authorized to be issued in the principal amount of \$1,900,000 pursuant to the Local Bond Law. In anticipation of the issuance of the bonds, negotiable bond anticipation notes are hereby authorized to be issued pursuant to and within the limitations prescribed by the Local Bond Law.

Section 3. (a) The improvement hereby authorized and the purpose for the financing of which the bonds are to be issued is the construction of the Marucci Park Recreation Building, including all work and materials necessary therefor and incidental thereto.

(b) The estimated maximum amount of bonds or bond anticipation notes to be issued for the improvement or purpose is as stated in Section 2 hereof.

(c) The estimated cost of the improvement or purpose is equal to the amount of the appropriation herein made therefor.

Section 4. All bond anticipation notes issued hereunder shall mature at such times as may be determined by the chief financial officer; provided that no bond anticipation note shall mature later than one year from its date, unless such bond anticipation notes are permitted to mature at such later date in accordance with applicable law. The bond anticipation notes shall bear interest at such rate or rates and be in such form as may be determined by the chief financial officer. The chief financial officer shall determine all matters in connection with bond anticipation notes issued pursuant to this bond ordinance, and the chief financial officer's signature upon the bond anticipation notes shall be conclusive evidence as to all such determinations. All bond anticipation notes issued hereunder may be renewed from time to time subject to the provisions of the Local Bond Law or other applicable law. The chief financial officer is hereby authorized to sell part or all of the bond anticipation notes from time to time at public or private sale and to deliver them to the purchasers thereof upon receipt of payment of the purchase price plus accrued interest from their dates to the date of delivery thereof. The chief financial officer is directed to report in writing to the governing body at the meeting next succeeding the date when any sale or delivery of the bond anticipation notes pursuant to this bond ordinance is made. Such report must include the amount, the description, the interest rate and the maturity schedule of the bond anticipation notes sold, the price obtained and the name of the purchaser.

Section 5. The Borough hereby certifies that it has adopted a capital budget or a temporary capital budget, as applicable. The capital or temporary capital budget of the Borough is hereby amended to conform with the provisions of this bond ordinance to the extent of any inconsistency herewith. To the extent that the purposes authorized herein are inconsistent with the adopted capital or temporary capital budget, a revised capital or temporary capital budget has been filed with the Division of Local Government Services.

Section 6. The following additional matters are hereby determined, declared, recited and stated:

(a) The improvement or purpose described in Section 3(a) of this bond ordinance is not a current expense. It is an improvement or purpose that the Borough may lawfully undertake as a general improvement, and no part of the cost thereof has been or shall be specially assessed on property specially benefitted thereby.

(b) The period of usefulness of the improvement or purpose within the limitations of the Local Bond Law, according to the reasonable life thereof computed from the date of the bonds authorized by this bond ordinance, is 20 years.

(c) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the office of the Clerk, and a complete executed duplicate thereof has been filed in the office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey. Such statement shows that the gross debt of the Borough as defined in the Local Bond Law is increased by the authorization of the bonds and notes provided in this bond ordinance by \$1,900,000, and the obligations authorized herein will be within all debt limitations prescribed by the Local Bond Law.

(d) An aggregate amount not exceeding \$400,000 for items of expense listed in and permitted under N.J.S.A. 40A:2-20 is included in the estimated cost indicated herein for the purpose or improvement.

Section 7. The Borough hereby declares the intent of the Borough to issue bonds or bond anticipation notes in the amount authorized in Section 2 of this bond ordinance and to use the proceeds to pay or reimburse expenditures for the costs of the purposes described in Section 3(a) of this bond ordinance. This Section 7 is a declaration of intent within the meaning and for purposes of the Treasury Regulations.

Section 8. Any grant moneys received for the purpose described in Section 3(a) hereof shall be applied either to direct payment of the cost of the improvement or to payment of the obligations issued pursuant to this bond ordinance. The amount of obligations authorized but not issued hereunder shall be reduced to the extent that such funds are so used.

Section 9. The chief financial officer of the Borough is hereby authorized to prepare and to update from time to time as necessary a financial disclosure document to be distributed in connection with the sale of obligations of the Borough and to execute such disclosure document on behalf of the Borough. The chief financial officer is further authorized to enter into the appropriate undertaking to provide secondary market disclosure on behalf of the Borough pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") for the benefit of holders and beneficial owners of obligations of the Borough and to amend such undertaking from time to time in connection with any change in law, or interpretation thereof, provided such undertaking is and continues to be, in the opinion of a nationally recognized bond counsel, consistent with the requirements of the Rule. In the event that the Borough fails to comply with its undertaking, the Borough shall not be liable for any monetary damages, and the remedy shall be limited to specific performance of the undertaking.

Section 10. The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and the interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the Borough, and the Borough shall be obligated to levy *ad valorem* taxes upon all the taxable property within the Borough for the payment of the obligations and the interest thereon without limitation of rate or amount.

Section 11. This bond ordinance shall take effect 20 days after the first publication thereof after final adoption, as provided by the Local Bond Law.

**RESOLUTION HONORING THE MEN AND WOMEN OF OUR ARMED FORCES BY
AUTHORIZING FREE DAILY BEACH ADMISSION DURING THE 2023 BEACH
SEASON TO ALL ACTIVE MILITARY PERSONNEL**

WHEREAS, members of the armed forces of the United States, including residents of the Borough of Spring Lake, are today actively engaged in combat operations in Afghanistan and Iraq, or are deployed or otherwise serving in support of those operations, and/or in support of the on-going efforts of our Armed Forces throughout the world to protect and defend our nation and its citizens; and

WHEREAS, since September 11, 2001, and increasingly since the commencement of combat operations in Afghanistan and Iraq, the men and women of the New Jersey National Guard have been called up to active-duty status in increasing numbers, and their support and service have been and will continue to be essential to the overall success of military efforts both home and abroad; and

WHEREAS, as many American families have lost loved ones in the military actions underway in Afghanistan and Iraq, and more than a hundred thousand other American families live each day in constant trepidation that the next knock on the door might make their own worst fears come true; and

WHEREAS, the residents of the Borough of Spring Lake want our troops and their families to know that they are in our hearts and on our minds, that we support them and are extremely grateful for the sacrifices they are making each and every day; and

NOW, THEREFORE, BE IT RESOLVED, by the Mayor and Council of the Borough of Spring Lake that in honor and recognition of our active military and active reserve personnel and their families, and to demonstrate the gratitude of the residents of the Borough of Spring Lake for the daily sacrifices they are making, the Mayor and Council hereby offer free beach admission during the 2023 season to each member of the active military and active reserve and their dependents upon the presentation of a valid military identification card at any beach entrance (Up to a maximum of four (4) free passes daily including military personnel); and

BE IT FURTHER RESOLVED that this resolution shall take effect immediately and shall remain in effect throughout the 2023 beach season.
